
Who can you trust?

With so many Promoters in Zante, how do you know which ones to trust?

The White Party - 15 July 2017

The Truth

Zante has loads of promoters.

You'll experience them first hand when you walk down the strip. They'll be stopping you and trying to push you into coming to one of their nights. There's now almost a group for every nightclub or bar in town.

There are also the reps who tell you "don't buy off the street" all summer, who then become street seller themselves the next summer when they get sick of lying.

And all the new "events" popping up every month, only to be unheard of the next month due to either having:

1. No customers
2. No atmosphere
3. Telling lies to get you there
4. No experience in either running events or selling massive numbers
5. Events that get canceled
6. Too much competition in the same field
7. A sales crew without experience, passion, commitment.
8. Inventing cheesy, crappy nights just to fill gaps in their week (or the reps week)
THESE ARE THE WORST.
9. Etc. Etc. Etc.

So how do you know which ones will actually provide you with a) a decent night out, b) everything they say they will?

We have the Solution.

PartyO is the longest running event company in Zante. This will be our 15th year here, and all we do, our only job is to run awesome events.

We have never cancelled a show- EVER!

And we guarantee you that whether you are with us on a Thursday for The ULTIMATE, or on a Sunday for The White Party, that it will be the busiest event that night, and most probably the best night of partying while you're here.

So....before you get sold ANYTHING, or get sucked in by some bogus Facebook videos and ads...make sure you check the history and credibility of the company, and the customer reviews about them.

There have been so many unscrupulous operators over the years, over-promising and under-delivering.

"Carl Cox on boats".

"2500 people parties every week".

"10years in the biz".

"3 parties a week".

"Sold out every week".

"Biggest this".

"Best that".

"Zante Festival".

Blah blah blah. It is ALL RUBBISH and LIES.

We operate on a completely different set of morals, where we TRULY CARE that our events, your nights, and your overall holiday is the best it can be.

That is because this business is 100% ours.

We sell you the tickets, and run the parties, and we will all be there every night to help you or answer any queries.

Not like the others where the reps who sell you the ticket will deflect any criticism to the venue, and the venue to the reps.

We are right here, all day, all year...and promise to do our best to service you to the fullest extent.

No gimmicks. No lies. No exaggeration.

Just 100% effort and dedication to this game, and sincere respect and appreciation for our customers.

So when you come to Zante, whether you want to do our events or not....make sure you talk to a member of the PartyO crew BEFORE you buy any other crap, and we will happily help you and point you in the right direction of the best things to do to make the most of your week.
